

## Index

- Accumulation funds, 52, 87-8, 179, 180
- Administrative centralisation, 23, 26, 85, 92; in planned economies, 31, 176-7; quality and quantity control in, 93
- Administrative management, bureaucratisation of, 83, 86, 90-2; and economic subjects, 74, 83, 85; role of, 86
- Administrative share-out, 56-7, 60
- Administrative subordination, 82, 85, 90-3
- Agricultural cadres, 78
- Agriculture, and economic subject, 73-4, 75; industrial products consumed by, 48-9; and nationalisation of land, 46; new techniques in, 51; planning in communes, 78-9; transition period in, 123-4; vertical integration in, 66-7; working groups in, 76-8; *see also* Collective-farm sector
- Alienation, 155, 156
- Althusser, Louis, 13, 14-15, 144, 155, 156
- Anti-Dühring* (Engels), 33, 34, 43, 48, 166
- Appropriation, formal and real mode of, 24, 25-6, 29, 127-8, 134, 225-6; homology of forms of, 25-6; and level of productive forces, 152-3
- Authority, and effective capacity, 45
- Automation, 54, 70, 174, 176
- Bachurin, A., 210
- Balibar, Etienne, 15, 24, 25, 28, 226
- Banking system, and centralised allotments, 58-9; funds for investments of, 102; of state, 32, 88
- Berri, L., 49-50
- Bettelheim, C., 180
- Böhm-Bawerk, 151
- Bolshevik Party, Ninth Congress 1920, 181
- Bonuses, 97, 101
- Bottigelli, E., 155, 163
- Brody, Andras, 202, 212-13
- Bukharin, Nikolai, 31, 111, 125-6, Bulgaria, 201
- Bunich, P., 238
- Bureaucratic domination, bureaucratisation, 62-3, 64, 82; in administrative hierarchy, 90-1; and economic subjects, 74, 83, 117
- Business accounting, 100, 115-16, 137, 174, 186; *see also* Calculation, economic
- Buying and selling, 110; central office for, 57-8, 64; contracts for, 86-7; joint services for, 69; of means of production, 174; planned obligations in, 56-60; in state sector, 133
- Calculation, economic, 77, 80, 186-9 *passim*, 212, 225, 229-30, 232-4; electronic, 64, *see also* Electronic tools; internal, 79; requirements of, 38, 57, 62; strategic, 229, 243
- Capacity, effective, to account and allot, 127-8, 129-30, 168-9; and authority, 45; to dispose of means of production, 45, 130, 140; of economic subject, 75
- Capital* (Marx), 14, 151, 160, 163-4, 224; on price-systems, 195, 208, 211-12, 214-15, 218, 220, 223, 231, 236
- Capitalism, capitalist modes of production, 14-15; British, 15; calculation techniques in, 231; contradictions of, 164-5; dissolution of, 20-1; fragmentation under, 135; horizontal concentration in, 65; labour-process in, 217-18; price system of, 195-6, 201, 211, 213, 240, 243; social forms of ownership in, 43, 52, 164; in socialist structures, 17; theoretical foundations of, 151, 212; transition to, 15, 24-5; vertical integration in, 66-70
- Capitalist property, 163-4
- Centralisation, functional and bureaucratic, 64-5

132, 150, 172

Centralised allotments, 56-60, 62, 106, 110

page 250

- Centralised economic management, 60-5, 134; of oil refineries and railways, 61, 73; of power stations, 61, 73, 75
- Chemical industry, integration in, 68-9
- China, agricultural reform in, 29; development of co-operatives in, 52; individual production in, 131; people's communes in, 53, 78-9, 95; planned economy of, 32; state capitalism in, 52
- Chou Ti-chin, 79
- Chronological gap, 25
- Class coalitions, 22
- Collective-farm sector, 35-6, 39-40; direct planning in, 46; economic levers in, 46-7; and level of productive forces, 128-9; and local markets, 131; means of production of, 108-9; mergers in, 53; prices of, 235; transition to public property of, 132; work brigades in, 76-7
- Collective ownership, 166-7
- Collectivisation, 35-6, 46, 51
- Comecon, 201
- Commodity categories and commodity production, 28, 32-3, 34-6, 87, 221, 227; conditions for disappearance of, 39-40, 45, 47, 57, 60-3, 65, 70-1, 132; disappearance of, 44, 84, 110, 120, 134-5, 172-5; and freedom of manoeuvre, 136-7; reasons for, 41-2, 178; within state sector, 36-42, 55-6, 59, 104, 107, 109-10, 130, 135-8, 175-6; and technico-economic integration, 176
- Communist Manifesto*, 159
- Compartmentalisation, 92, 114
- Conditions for new modes of production, 19-21
- Conformity, lack of, 23; *see also* Non-correspondence
- Conjunctures, structure of, 21
- Constitution, theory of, 19-20
- Consumer goods, 175, 177, 182; as commodity categories, 37-8; profitability standard of, 193
- Consumption, 117-18
- Consumption funds, 179, 202
- Contractual relations, 86-8, 105-6, 173-4
- Contradictions, 23, 25; analysis of, between productive forces and organisational forms, 126
- Co-operative contracts, 88
- Co-operative production, 50, 51, 53
- Co-operation, 28, 36, 66, 67
- Costs, of production, *see* Production costs; of reverse linkage, 222-3, 231, 234; social, *see* Social costs
- Credit-appropriation system, 58, 59-60
- Credit contracts, 87-8
- Critique of the Gotha Programme* (Marx), 32-3, 38, 47, 137, 159, 239
- Csikos-Nagy, 41, 208-10
- Cuba, 19, 29, 168; administrative share-out in, 60; agricultural cadres in, 78; agricultural reform in, 131, 172; conditions for socialist revolution in, 153; 'Consolidados' in, 63, 129; National Sugar Commission, 113; transition phases in, 131, 171
- 'Cultured capitalists', 170
- Currency tokens, 62, 112
- Czechoslovakia, 32, 61, 202, 209
- Dantzig, G. B., 233
- Decision-making centre, 55
- Decisions, 73, 75-6; economic, 81-2, 107-8, 230, 242; macro and micro, 105, 108; nature of, 88-90; and prices, 187; technical, 81, 89-90, 107; working-out of, 84
- Demand and supply, 59, 136
- Directors, 118, 128
- Disposal and control, rights of, 54
- Distribution, of labour, 173; of means of production, 174; organisation of, 137-8, 142
- Division of labour, and economic subject, 74; technical, 55, 81
- Dumont, Rene, 115
- Economic autonomy, disappearance of, 61; of economic subjects, *see* Economic subjects; of production-units, *see* Production-units, relative autonomy of
- 'Economic levers', 46-7, 84-5
- Economic hierarchy, 82-3, 89-90; types

- 149-50, 152, 160-1; capitalist and socialist, 164-5; between co-operatives and state organs, 54; between interest of economic subjects and collective interest, 97-8; in Marxist dialectics, 145-6; and non-correspondence, 26; in planning targets, 100; principal, 144-50, 153-4;
- Economic and Philosophical Manuscripts* (Marx), 154-7, 163
- Economic Problems of Socialism in the USSR* (Stalin), 34-5, 37-8, 107, 108, 126, 133, 138, 189
- Economic structures, 16-18
- Economic subjects, 64, 69, 107, 224; autonomy of, 97-8, 102, 104, 105, 107-8, 110; and contractual relations, 105-6; detemmination of, 72-6, 80; and economic decisions, 81-2, 230, 242; internal structure of, 72, 76-82; investment funds of, 101-2; and juridical subject, 71-2, 74-5, 93; objective conditions for single subject, 62-4, 134; and planning, 83-5, 93-107; reduction of, 97, 107; subordination and hierarchy of, 82-6, 178-9
